A MESSAGE FROM THE HEADTEACHER

Despite the weather not being on our side to start the new year we've had a great first week back, catching up with our friends, playing in the snow and starting our new learning topics.

Thank you for all the lovely messages on how we have handled the weather this week, we are never going to please everyone in situations like this but hopefully you will understand that it was important to make sure the staff got in safely first so that we could provide the best care and minimise disruption to learning for your children.

Hopefully normal service will resume on Monday!
